

D-TER

Highly effective and proven animal & bird repellent trusted for over 50 years

D-TER Animal and bird repellent

D-TER effectively persuades pets and wildlife to stop fouling your home and garden. This product acts on the senses of smell and taste of animals entering treated areas, repelling without harming them. Prevents damage to vegetables, fruit, plants, seedlings, ornaments, sheds, and buildings. Use D-TER Animal & Bird Repellent to repel birds and animals including dogs, cats, parrots, possums, rabbits, wallabies, rats, and mice.

Available in 3 sizes: 100g, 1kg and 4kg.

WHY USE D-TER?

- Effectively repels animals and birds without causing harm
- Safe, non-poisonous for animals and humans
- Easy to use - just mix and spray onto selected areas
- Trusted and proven for over 50 years
