

GUTTER SPIKES

VEXO Gutter Spikes are a revolutionary solution for safeguarding your gutters against avian pests.

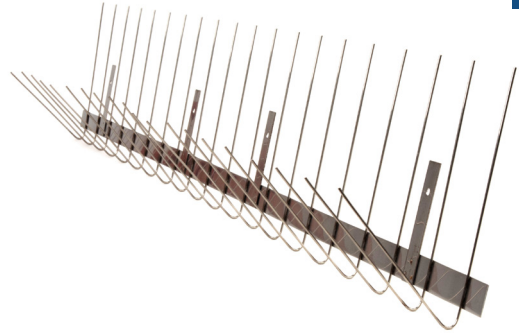

Crafted from durable stainless steel, these spikes provide long-lasting protection against debris accumulation caused by perching and nesting.

As an innovative addition to your property, our Gutter Spikes offer a seamless integration into your gutter system, ensuring a secure and bird-free environment.

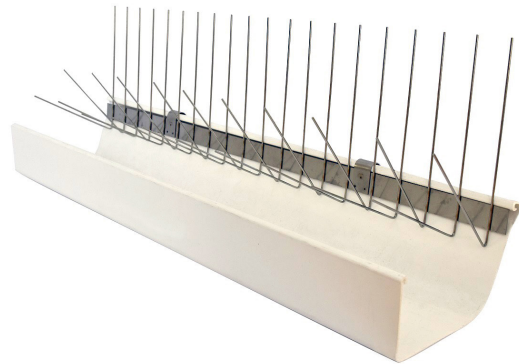

Upgrade to a hassle-free and effective solution with VEXO Gutter Spikes, the ultimate choice for maintaining clean and functional gutters while deterring avian nuisances.

INTERGRATED MOUNTING TAB

VEXO Gutter Spikes are designed to fix onto any gutter system with integrated fold down screw tabs for efficient and secure installation.

Featuring 4 tabs per linear metre, (see right for configuration), precision welded and constructed from the same high grade stainless steel.

The tabs provide a sturdy mount and fix point as well as helping to position the spikes during installation.

Proprietary (intergrated) mounting tab that folds over any spout lip

SUPPORT

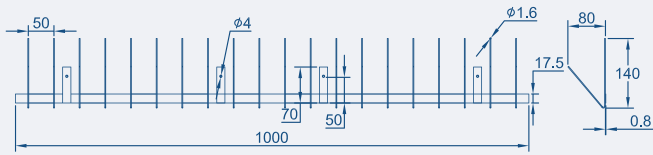

VEXO spikes can be custom manufactured to suit unique projects.

Contact **+61 3 9458 5118** for any assistance in solution evaluation and product recommendation.
