

DROP-INS® XL FRUIT FLY TRAP

THE ULTIMATE FRUIT FLY TRAP - OUT OF SIGHT. OUT OF MIND.

No maintenance or monitoring

- Pre-baited: simply peel back protective paper and start trapping.
- Food-grade lure solution proven to attract 2.2 times more fruit flies than other fruit fly traps.

"No spill" conical trap design

- The patented design prevents the solution from escaping the trap if dropped or tipped upside down.
- Adhesive backed holder (sold separately) allows you to trap fruit flies anywhere! Underneath kitchen counters, sinks, tables.
- Conical trap design lures in fruit flies but won't let them escape.

Clear design - you'll know when it's working!

- The trap is clear to let you know it is working.
- Lure solution is effective for 30 days. Simply dispose of used trap in regular garbage and replace with a fresh trap.

Drop-Ins Fruit Fly Trap Holder

- Perfect for placing anywhere around kitchen and garbage areas for constant fruit fly protection.
- Allows the trap to hang upside down and sideways or for secure placement on counters, sinks etc.
