

**WIN A \$15,000 MEGA
MARKETING PRIZE
FROM SYNGENTA
AND GET YOUR
ADVERTISING RIGHT**

IT'S TIME TO UP THE GAME FOR PESTIES.

Charging into 2019, Syngenta have decided to try something different for Professional Pest Managers.

Through a shared passion for quality and innovation we want to help build the reputations of pest controllers all around the country.

To kick things off, we're launching a campaign offering pest controllers who may need a hand with their advertising the chance to win a Mega Marketing Prize worth \$15,000!

This will primarily be driven through Facebook, and we have created the following Facebook Page and it would be great if you could LIKE us and share the page with your networks. To enter the competition, pest controllers would simply need to **go to this landing page and fill in a simple form.**

This campaign, which is extremely easy to enter, will not only give you a laugh, it'll also give you a few clues on how NOT to advertise!

Moving into the year we aim to support pest controllers further with a series of ongoing, informative videos, which you'll be able to view online and through our Facebook Page.

Consulting with trusted trade professionals these videos will share top tips on how to improve their business through better pest control methods. But don't worry, it's not all work, we'll have a bit of fun along the way.

So, follow us on Facebook and look out for our new videos and posts, because when we boil it all down, we want to help all pest controllers build successful businesses through quality advice and products.
